## SHOW TEAM:

If your child is interested, we will be glad to allow her to participate at horse shows. There are plenty around and we can certainly find a horse to fit. We have hunters who can go up to 3', and Walk-Trot pleasure horses and everything in between. We attend Tennessee Walking Horse shows from time to time with my brother, so they can even have a chance to see a very different breed in action. There is no additional charge for attending the shows, but if the students wants to participate on our riding team, there is an additional \$40 a day charge, plus entry fees which will run \$10-\$20 per class, depending on the show. So, if your child has show cloths, send them along!

Child  will,  will not, be planning to show.

## For the student~

We do not allow co-ed rooming, dating, alcohol, fighting or going out independently. Cell phones are not allowed, and we ask that parents not expect calls home. Our campers are very busy all day long, and tired when the day is done. We extend love and interaction to your children and expect respect in return. We reserve the right to refuse to accommodate children who have proven to be discipline problems.

For children who want to learn real horsemanship, training skills, horse showing and farm management, and horse care including health, feeding (and why) cleaning and types of bedding, our Summer Camp is a treat. We offer a chance for them to come into the family of a working horse ranch and become a part of that family. We take a limited number of students at a time, from 6-10. We assess the strengths of the student and teach them skills that will stay with them their entire lives.

We ask the student to sign below indicating that they realize they will be working with horses in all manners, and learning ALL about horses, not just going out on summer rides. This means they will be working, feeding, cleaning stalls, washing and grooming, and treating horses that may require health care.

Student needs to sign below indicating they understand and agree with the rules.
